

# UNDERWOOD

REPRESENTATIVES FOR MANUFACTURERS OF QUALITY COMPONENTS SINCE 1966

## INTERCONNECTION PRODUCTS

### LEONI

**LEONI Industry & Healthcare / LEONI Elocab** Custom High-Flex Wire & Cable Solutions for demanding applications. From Stranded Conductor Wire to Complex Cable System Solutions. Hybrid, Flat, Coiled, Fiberoptic and specialty cables for use in Robotics, Factory Automation & Drives, Communications, Medical, Infrastructure, High-Speed Data, Marine and Aerospace.

[www.leoni-usa.com](http://www.leoni-usa.com)

**Nicomatic** High Performance/High Reliability CMM & DMM Miniature Connectors for Harsh Environments, FFC Laminated Flat Cables and Jumpers, CrimpFlex Connectors, PCB Connectors and Tactile Metal Domes for FPC and Printed Electronics.

[www.nicomatic.com](http://www.nicomatic.com)

## ELECTROMECHANICAL PRODUCTS

**Stock Drive Products / Sterling Instrument / Quality Bearings & Components / QTC Metric Gears** Highest Quality Mechanical Products, Engineered Mechatronics Solutions, Complete One-Stop Shop for Small and Miniature Mechanical Components, and High-Precision Customized Assemblies.

[www.designatronics.com](http://www.designatronics.com)

**MPS Microsystems MICROLINEA.** Standard and Custom High-Precision, Very Low Friction Miniature Components, Ball Screws, Linear Bearings and Stainless Steel Balls.

[www.mpsag.com](http://www.mpsag.com)

**Ace Wire Spring & Form Co., Inc.** Leading manufacturer of a wide variety of Custom Springs and Wire Forms. Compression Springs, Extension Springs, Torsion Springs and Wire Forms.

[www.acewirespring.com](http://www.acewirespring.com)

**Motion Solutions, Inc.** Motion Control and Thermal Management Products: Brushless DC Motors, Slotless DC Motors, Conventional & High-Torque Hybrid Stepping Motors, Ironless DC & BLDC Motors, Low Cost & Industrial Grade DC Motors, Low Cost AC Motors, AC and DC Fans and Blowers.

[www.motionsolutions.us](http://www.motionsolutions.us)

**Nidec Copal (U.S.A.) Corp.** Miniature and Micro-Miniature Brush and Brushless DC Motors, Gearmotors, Vibration Motors, Stepping Motors and Cooling Fans.

## OPTICAL/ELECTRONIC PRODUCTS & SERVICES

**Vexos** (formerly STACI Corp and EPM Global Services) Electronic Manufacturing Services (System Assembly, Box Build, Lean Manufacturing); PCB/PCBA Solutions; Supply Chain Solutions (Material Procurement, Commodity Management); Custom Components.

[www.vexos.com](http://www.vexos.com)

**Totex Manufacturing, Inc.** Advanced Custom Battery and Charger Solutions for specific applications.

[www.totexmfg.com](http://www.totexmfg.com)

**Compunetics, Inc.** Rigid, Flexible and Rigid-Flex Printed Circuit Boards requiring precision imaging, tight etch tolerances and fine line circuitry for specialized applications and unusual physical constraints.

[www.compunetics.com](http://www.compunetics.com)

**TaiSol Electronics Co., LTD.** Electronics Thermal Cooling and Flash Media Solutions. Passive (Heatsink) and Active (Heatsink w/Fan) Thermal Management Products.

[www.taisol.com](http://www.taisol.com)

**Firecomms, Ltd.** "OptoLock" Plugless Fiber Optic Transceivers and Plastic Optical Fiber (POF) Solutions, "RedLink" Optical Transceivers for Vesatile Link applications.
