

Local Service. Global Capabilities.

VEXOS.COM

Vexos is a full-service, high-mix, low- to mid-volume electronic manufacturing services provider with a proven track record of delivering high quality, custom designed EMS and commodity expertise to a diverse group of OEMs including, automotive, communications, display technology, industrial, lighting, medical, security and others. With over 40 years of manufacturing experience, Vexos offers a wide range services including NPI, custom tooling, casting, cables, PCB assembly, DFM/DFT, full box builds and aftermarket services such as repair and third party logistics.

MISSION AND COMMITMENT

Our mission is to continuously add value by providing integrated solutions for our customers and our suppliers.

Our commitment to customers is the highest standards in quality, reliability, and cost in our industry.

- Seamless NPI process
- Greater volume flexibility
- Strong sourcing connections and economies of scale

SERVING OUR CUSTOMERS

10% COMPONENT SOLUTIONS

30% PCB

60% EMS

THE POWER OF A STRONG PARTNER

- Full-service EMS provider specializing in high-mix, low- to mid-volume programs
- 40+ years of manufacturing experience
- Commodity expertise as well as engineered materials
- Up-to-date technology and equipment
- Flexibility to expand as your program grows
- Superior supply chain and logistics management

QUALITY CERTIFICATIONS

- ISO 9001:2008
- ISO 13485:2003
- ISO 14001:2004
- TS 16949:2009
- OHSAS 18001:2007
- RoHS and Non-RoHS
- ITAR & UCNi compliant
- FDA certification

ELECTRONIC MANUFACTURING SERVICES (EMS)

Our manufacturing process is enhanced through our lean manufacturing initiative.

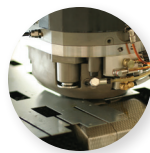

MATERIAL SERVICES

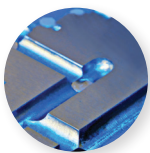

Our complementary component engineering coupled with our sourcing services provide complete turnkey solutions.

- PCB**
- Rigid
 - Flexible
 - Rigid flex
 - T-clad

- SHEET METAL**
- Precision stamping
 - Die casting
 - Aluminum

- PLASTIC**
- Injection molded
 - Specialty finishes

- SILICONE**
- Keypads
 - Switches
 - Parts

- HEAT SINKS**
- Aluminum extruded
 - Thermal
 - Bonded

- CABLE ASSEMBLY**

LOCAL SERVICE. GLOBAL CAPABILITIES

- Unique global footprint to match your manufacturing requirements
- Consistent local on-site program management, quality control, engineering and testing functions
- Exceptional global quality oversight
- Multiple time zones allows flexibility in coverage

MAJOR END MARKETS

We offer a wide variety of end-to-end product lifecycle solutions for customers in a diverse group of industries.

- Automotive
- Communications
- Display technology
- Industrial
- Lighting
- Medical
- Security
- Additional markets

PROVEN NPI & TRANSFER PROCESS

When you partner with Vexos, you will receive the benefits of experience with launching new products by leveraging our learned best practices, knowledgeable resources and unique global footprint. Vexos' proven NPI process helps OEMs launch complex products by providing quality manufacturing and superior engineering services as well as flexible NPI program management methods and world-wide logistics.
